

revel in the beauty of canada & new england

Breathe it all in. Autumn's brisk air and brilliant hues highlight the changing seasons. Soak in the stunning vistas of Maine's Acadia National Park. Walk in the footsteps of America's forefathers; you can almost hear the hoofbeats of Paul Revere's horse beside Boston's freedom trail. Dine on the best clam chowder you've ever had, and introduce your taste buds to Maine lobster plucked straight from the briny Atlantic. Head to Canada for postcard-perfect coastal villages and lighthouses, as well as a foray into French culture and cuisine. There is simply no better place to usher in fall.
