

# Kids 2-12 Save 50% ON AMTRAK

Make memories and save money when you take the kids on a journey they'll never forget. They'll experience the wonder of the train, while you enjoy a trip without baggage fees or traffic.

One child ages 2 - 12 is eligible to receive a 50% discount on the lowest available adult rail fare on most Amtrak trains with each fare-paying adult (age 18+). If any additional child per adult will be traveling, reservations must be made for that child as an "Adult" and the full adult fare will be charged.

## Infants Ride Free

One child under the age of two, not occupying a seat, may ride free with each fare-paying adult (age 18+). Additional infants can be booked as a "Child" and receive the 50% discount (if available) or as an "Adult" (if the Children's fare is not available).
